

Keep DeSoto Beautiful, Inc. is dedicated to raising awareness of the importance of working together to keep DeSoto clean and beautiful. To help with that effort, we will band the Adopt-a-Street signposts around town with blue "sleeves" bearing the messages "KEEP DESOTO BEAUTIFUL"

and "PLEASE DON'T LITTER." The message sleeves cost only \$44.00, and residents and business owners are invited to sponsor one or more sleeves as a simple but effective way to show commitment to a clean

DeSoto.

To sponsor a sleeve, you may use the form below, and mail to the address shown. Sponsors will receive recognition in a future issue of the City's newsletter City Lights, and from the KDB Board.

Sleeves will be ordered upon receipt of payment. Thank you for your consideration of this effort!

For more information about KDB, visit http://www.ci.desoto.tx.us, click on "Action Center," then "Keep DeSoto Beautiful."
